I hired Glow Booth Perth for my 30th bday and the guys, the service, price and quality of photos were exceptional!! Everyone had such a rad time using the photo booth and it was great we could access the photos so easily. I would definitely recommend hiring for any event.

We used Glow Booth for our March wedding at the Rendezvous and they were amazing! Loosened up our guests and gave us over 300 photographs that were available straight away! We would definitely recommend glow booth and would use them again in a heartbeat! Was also very reasonably priced 😊
